

Fur-Ever Home

Animal Rescue With a Heart

Fur-Ever Home is holding a Western-Themed Fundraising Event this summer. The “**Old Town Doggy Showdown**” will be held on June 23rd, 2018 from 10am to 1pm at the Historical Park in San Juan Capistrano. This event benefits Fur-Ever Home, a San Clemente based Animal Rescue. This is going to be a fun-filled event with dog contests, carnival-style western-themed games for dogs and kids, food trucks, agility demonstration, and prize drawing.

We are an all-volunteer, non-profit 501©3 organization. Your donation is tax deductible and all proceeds help us in our ongoing mission to find homes for homeless pets. With the funds we raise through donations and events like this one we are able to:

- Provide Medical Care for the animals
- Transport animals
- Provide housing and food for the animals in our care

We have rescued over 650 dogs and cats in the 7 years since we were founded in 2011. Our rescue is growing and so are our needs!

This year we are greatly in need of a Utility Van to help transport equipment and animals to Adoption Events and Fund Raisers!

We are asking you to please consider a Sponsorship for our event. Without your help we would be unable to continue with the work that we do. We save animals who are in danger of being euthanized at animal shelters, strays wandering the streets, and abandoned and neglected animals. We thank you in advance for your consideration.

If you cannot sponsor, please consider a donation for our prize drawing or for contest prizes. Anything will be a big help. Gift cards, new products, event tickets, gift certificates are always good.

Thank you from the bottom of our hearts and paws for your consideration. It truly takes a village to help the many homeless animals to find their Fur-Ever Home.
